1 PLANT PAL Perfect for the apartment- (or dorm-) dwelling gardener. This mini plastic gnome will spruce up any potted plant. \$10; fredflare.com.

2 MICROPLANE ZESTER/GRATER The chefs in your life will appreciate this compact shredding tool with an easy-to-grip handle. They'll have it just in time to grate nutmeg into their eggnog. \$13; bedbathandbeyond.com.

3 KIDS' ANIMAL PAWS SLIPPERS Forget ponies. Nowadays, everyone wants a penguin. These are a comfy, warm alternative to the real thing. \$14.50; lbean.com.

4 SOFT HUB USB PORT Stylish geeks can keep their camera, joystick and desktop connected with this rubber gadget. \$18; momastore.com.

5 SUPERFAST MATCH-BOX JEEP WRANGLER What kid doesn't want a fleet of the ultimate toy-car collectibles? Each of the new models is a replica of the original Superfast line, featuring classic automobiles like the 1956 Cadillac. Get 'em while they're hot (again). \$2; national retailers.

6 'PICK ME UP' BOOK We dare you not to pick up this reference book-gone-pop art by Jeremy Leslie and David Roberts. This TIP pick will turn even Internet junkies into captivated readers. \$20; amazon.com.

7 PINNACLE SUGAR & CREAMER Everyone will want cream and sugar from this whimsical take on the classic duo. Designer Eva Zeisel lent her touch to the collection. \$25; chantal.com/eva.

8 SESAME STREET GIGGLE TOOL BELT Give them this, and maybe they'll help out with your next renovation. Toddlers will love the Elmo talking tape measure ("Let's measure something!"). \$15; amazon.com.
